ANREV is a not-for-profit organisation driven by institutional investors in Asia Pacific non-listed real estate vehicles. Our aim is to serve as a platform for investors who guide the association's strategy. Our agenda is driven by members, and is focused on improving transparency and accessibility through market information, promoting professionalism and best practices, sharing and spreading knowledge.

As a sponsor, your firm will be positioned as a leader in the Asia Pacific non-listed real estate funds industry. An ANREV event showcases your company and provides the opportunity to interact with industry leaders and decision makers. ANREV relies on both membership fees and income from events to fund its output and program of activities. As the leading industry association for investors in Asia Pacific non-listed real estate vehicles, we will continue to develop a broad range of research work and different forums to promote the industry and its participants.

By sponsoring ANREV, you demonstrate leadership in the region and alignment of your company with efforts to improve transparency and hence accessibility to the industry.
